

Children's Connection Curriculum

Session Topic: Interactions, Social Skills (Safety Bingo)

Developmental Level: Elementary and Middle School

Purpose: To discuss safety in a fun way.

Materials Needed: Safety Bingo Sheets, and game markers to cover the squares, Bingo sheets located in Activity Box, prizes (optional)

Description of Session: Ask students if they have played bingo before, explain if they have not. Provide each student with a "Safety Bingo" card and game markers. Explain the rules and type of bingo that will be played. As each square is called off, ask questions and create discussion about what is shared in the box. Once a student completes a bingo they can receive a prize (optional)

Discussion Questions:

1. Discuss each square as student covers that square when called. Provide examples and encouraged discussion and personal examples from students.
