

Children's Connection Curriculum

Session Topic: Cooking with Kids

Developmental Level: Elementary and Middle School

Purpose: To create conversation about food safety and kitchen items.

Materials Needed: Safety Checklist Handout, Kitchen Fun Word scramble and Answer Key, Kitchen Fun Word Search and Answer Key

Description of Session: This could be completed during a food group or just as a regular session. Have students complete the word scramble and ask questions throughout about the different items that are on the worksheet. Review completed word scrambles.

Discussion Questions: Ask students if they know the items on the word scramble. Ask students if they have ever used the items and what they are for.
