

You chewed food with your mouth closed. Move ahead 4 spaces.	You crawled under the table. Move back 1 space.	You wiped your mouth on your shirt sleeve. Move back 1 space.	You used your fork to eat instead of your fingers. Move ahead 5 spaces.
You said "thank you" to the waiter when he brought your food. Move ahead 6 spaces.	You used your napkin instead of your shirt sleeve. Move ahead 4 spaces.	You talked to everyone with food in your mouth. Move back 1 space.	You hit your sister and made her cry. Move back 1 space.
You yelled really loudly in the middle of dinner. Move back 1 space.	You stayed sitting in your seat. Move ahead 5 spaces.	You spit your food out and complained loudly that it was yucky. Move back 1 space.	You got up from the table and started running around the room. Move back 1 space.
You teased your brother and made him cry. Move back 1 space.	You burped loudly. Move back 1 space.	You said "please" when you asked someone to pass the salt. Move ahead 4 spaces.	You used your indoor voice. Move ahead 3 spaces.
You put your napkin on your lap to keep your clothes from getting dirty. Move ahead 5 spaces.	You kept your straw in your cup. Move ahead 4 spaces.	You stood up and jumped on the seat. Move back 1 space.	You ate all of your vegetables. Move ahead 5 spaces.
You sat up straight and kept your elbows off the table. Move ahead 4 spaces.	You played with your food and made a mess. Move back 1 space.	You kept sipping your straw loudly after your drink was gone. Move back 1 space.	You tried a new food. Move ahead 4 spaces.
You talked about something gross at dinner. Move back 1 space.	You kept your hands to yourself and didn't bother your siblings. Move ahead 5 spaces.	You swallowed your food before talking. Move ahead 4 spaces.	You covered your mouth and said "excuse me" when you burped. Move ahead 5 spaces.
