

POSITIVE CHAINS

Briefly describe what could happen in each situation given in this positive action chain.

If I introduce myself to the new student...

---

---

If I help with the dishes...

---

---

---

If I write a letter to a friend...

---

---

If I take my turn at the water fountain...

---

---

If I offer to help with the paper drive...

---

---

If I teach a friend how to play a game...

---

---

---

If I call a friend...

---

---

---

Make a list of three other actions that would probably lead to positive reactions.
